

ONE4NINE.CC

Why did we start project one4nine?

We want to give back to the sport and the community that has given us so much: CYCLING. Our goal is simple: to create Performance-driven, fun, stylish cycling gear and help our community. This is gear that makes everyone feel good!

How will we do this?

By purchasing this limited edition one4nine cycling kit, you are giving back to **San Diego VeloYouth**. With each kit purchase, you are investing in the next generation of riders and the future of cycling.

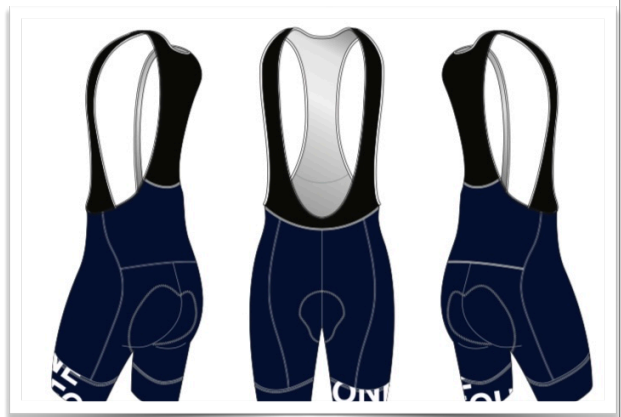

How does it all work?

We will donate **49%** of the gross profit for each Special Edition Jersey we sell to **San Diego VeloYouth**. You can pre-order your kit today by sending us an email. It's as simple as our name says one jersey 4nine percent to charity.

Support our first kit fundraiser and be part of our project to make the cycling community a better place. one revolution at a time.

With our kits, you will ride with passion for **San Diego VeloYouth**. #ridewithpassion

To order, please email us at

info@one4nine.cc

Please include your name, mailing address and size for bib shorts and jersey.

Delivery time is currently 4-6 weeks from the date of purchase. The total price is \$185.00 + tax (includes free shipping to the continental U.S. only). **Order deadline is 03/17/2021**
